Club Parking Lot Map

On the reverse side of this insert is a diagram of the Club parking lot. On April 3rd, 4th, 10th and 11th, no Club personnel will be directing you where to park. It is the responsibility of each member to park their vehicle in one of the lined spaces. Aside from the main parking lot, there will also be parking at the rifle and trap ranges. Please be considerate and follow the diagram closely so that the maximum number of vehicles can be parked. Thank you for your cooperation.

***** Calling 911 for Emergencies on Club Property *****

There are nine 911 Emergency Signs that have GPS Coordinates listed for that specific location. Follow the directions listed on the sign for the most accurate information. Request Grand View Ambulance service if possible since they are the closest.

The 911 signs are located at the Pistol and Rifle Ranges, Trap Range Clubhouse on Gun Club Road, the Large Pond and between the Large Pond and the Kids Pond, Fisherman's Cabin on Schultz Road. If you do not have a cell phone there is a phone for emergency calls only located in the screened deck area of the Fisherman's Cabin by the bridge.

***** Notice to All Club Members *****

It is the responsibility of every Club member to keep the Club's grounds and waterways clean. Please place trash, including used fishing line, in the trash cans located throughout the property. Improper disposal of used fishing line on land or waterways harms fish, birds, wildlife, and damages Club's equipment. It is the responsibility of any member who brings their dog to the Club to pick up after the dog. Your cooperation is expected and appreciated. Thank you.
